Hello PACED Members:

I am sending out the Business Form for participation in our Downtown Street Fair being held on **Saturday, June 17th**.

- If you are a Central Avenue business and will be taking part in Street Fair **please fill out this form** as it allows me to know if I can put a vendor in front of your business space.
- If you are NOT a Central Avenue business and wish to have a space for Street Fair **please fill out this form** as it will give me an opportunity to place you. Businesses in the PACED get first dibs over vendors.
- I encourage our businesses to use this opportunity to showcase your product. Fill up a tent, put out a product table and table's gift -- meanwhile you can collect money and emails for your database. If that is how you communicate with your customer base.
- We have two new additions to Street Fair with the Multicultural Association joining us with their "Waka the World Passport Tour" and we have the PACED's "Cultural Village" on the riverbank this year.

I am asking that you **fill out this form soon**. Due to family circumstance, I need to be ahead of previous years schedule in regards to organizing. If you have any questions do not hesitate to email or call.

Kind regards,

Rhonda Truett
